Dear Parents,

Some of our families have requested that we inform them of the school supplies that will be used in our classrooms this year. These are *suggestions* and should not be considered requirements. All of our students have access to supplies used in the classroom. However, some students prefer to have their own supplies instead of sharing with others. Parents also like to take advantage of summer sales and less crowded stores. In this spirit, we offer the following list of supplies:

|---|---|--|

Additional 5th Gr. Suggestions

- Scientific calculator
- Protractor
- Ruler

Additional 6th Gr. Suggestion

- One 1½ in. three ring binder
(Total of two binders)

Appreciated Donation Ideas

- Boxes of tissue
- Sandwich size zip-lock bags
- Quart size zip-lock bags
- Gallon size zip-lock bags
- Dry erase markers

Please understand that each individual teacher may have some items to add to this list specifically for students in his/her classroom. Some reminders that will help in the classroom and when you are shopping:

- Trapper Keepers take up too much space in the student desk and are not recommended.
- Reusable water bottle can be used in the classrooms.
- White out (liquid form) is prohibited at school.
- Backpacks on wheels do not fit in the slim lockers we have at Cooper. We recommend the “over the shoulder” backpacks.

We hope you find this suggested list helpful. We look forward to seeing you in the fall!

Sincerely,

Shalonda Owens, Principal
