## ASD Kindergarten Continued

- if you will be purchasing any of these things new this year ( ie. Boots, shoes, coats, mittens etc. please keep in mind that we work very hard to encourage independence with our young ones and we are not adverse to Velcro, boots with zippers, mittens instead of gloves, pants that don't need belts to hold them up etc.) As cute as many clothes are at the stores, some of them can truly be a pain for our kids to handle independently.

### **Please understand that:**

*- Each individual teacher may have some items to add to his/her list next fall (specifically for students in his/her class).*

*- These are suggestions and should not be considered requirements.*

*- Any family unable to provide these supplies should let their child's teacher know in the fall and arrangements will be made.*

**\*TO BE SHARED WITH CLASS**
