

SUGGESTED SUPPLY LIST 2013-2014 JOHNSON UPPER ELEMENTARY SCHOOL

Dear Parents,

Some of our families have requested that we inform them of the school supplies that will be used in our classrooms this year. These are suggestions and should not be considered requirements. All of our students have access to supplies used in the classroom. However, some students prefer to have their own supplies instead of sharing with others. Parents also like to take advantage of summer sales and less crowded stores. In this spirit, we offer the following list of supplies:

Please understand that each individual teacher may have some items to add to this list specifically for students in his/her classroom after school begins.

#2 pencils	erasers	red, black, or blue pens
yellow highlighters	colored pencils	crayons/markers
scissors	two-pocket folders	Post-It Notes (small)
glue stick	box of tissues	notebook paper
hand sanitizer	ear buds (<i>Please send in zipped baggie labeled with your child's name & teacher's name.</i>)	

Some reminders that will help in the classroom and when you are shopping:

- **Trapper Keepers take up too much space in the student desks and are not recommended.**
- **A zippered pencil pouch may help with organization.**
- **White Out (liquid form) is prohibited in school.**
- **Backpacks on wheels may not fit in the slim lockers we have at Johnson. We recommend the “over the shoulder” backpacks.**
- **Please take the time to label your child's things with his/her name.**

We hope this is helpful to you in gearing up for a successful school year. Your classroom teacher may have other suggestions in the fall. We look forward to seeing you in the fall!

Sincerely,

The Johnson Upper Elementary Staff
