COVID-19 SCREENING TOOL FOR FAMILIES

Parents and guardians, use this checklist every day before sending your children to school.

If you answer “YES” to one or more questions, you MUST keep your child home from school today.

Does your child have any unusual symptoms from the list below?

YES  NO
☐  ☐  A fever? (Temperature greater than 100.4°F)
☐  ☐  A new or worsening cough?
☐  ☐  Shortness of breath/difficulty breathing?
☐  ☐  Runny nose and/or congestion?
☐  ☐  Body aches, chills and/or tiredness?
☐  ☐  Vomiting and/or diarrhea?
☐  ☐  New loss of smell or taste?

If the answer to any of the questions is “yes,” keep your child home and consult your primary care physician. If a doctor determines that the symptoms are due to another diagnosis, or COVID-19 is ruled out, your child may return to school after being fever-free for 24 hours without the use of fever-reducing medications.

YES  NO
☐  ☐  Have you or your child had close contact with anyone who had a positive COVID-19 diagnostic test in the past 14 days?

If the answer to any of the questions is “yes,” you and your child must stay home to quarantine for 14 days since last contact.

Report any confirmed or suspected cases:

Wayne County Public Health Department
Main Communicable Disease Line: 734-727-7078
After-Hours Call Center: 734-727-7284

Mary Roman:  mroman@waynecounty.com
734-727-7150

Nnenna Wachuku:  nwadchuku@waynecounty.com
734-727-7253

Lukas Ayers:  layers@waynecounty.com
734-727-7076

If your child is awaiting the results of a COVID test, they may not come to school.
