

# LIVONIA CAREER TECHNICAL CENTER

## OPEN HOUSE

WEDNESDAY, FEBRUARY 8, 2023

@ 7:00 PM

To begin the evening, there will be a brief introduction in the Large Group Room from Mr. Harper, the LCTC Principal beginning at 7:00 pm.

After the introduction, you then go to the program you are most interested in and listen to the teacher's brief presentation with a Q & A afterward. If you are interested in multiple programs, please attend your top choice program presentation first and then feel free to visit the other classrooms after to get additional information and speak directly with the instructor for any questions you may have.

Please see the Career Center COURSE OFFERINGS and MAP of the building here.

There will also be copies available that evening.

Culinary Arts will be housed in the Staff Lounge, room #103

We look forward to meeting all our future students and parents!
