

A Peek at the Week at Riley September 9-13, 2019

We had a fantastic first week at Riley! The 5th graders are learning the routines and finding their way around the building. We did a fire, tornado and lockdown drill and all the students did an outstanding job!

Please start looking at our new school website. This will be a frame of reference for you all year. Critical dates and events will be posted here along with the Peek at the Weeks. We have posted the Riley FAQ's here that we would like you to read. There is important information in there for you to have all year. This year we will not be allowing students to bring in edible birthday treats. Only non-edible items will be allowed. Again please refer to this document for more details.

Something NEW:

Teachers will have links on the website to apps or other websites they will be using to post homework. We are still using planners but you will have this as a back-up in case your child misses something in their planner. If you do not know what your child has for homework check the website or download the app.

A reminder:

Please do not turn left going out of the parent parking lot. When cars are lined up on the other side it impedes the flow of traffic.

Here is the website for Riley Spirit Wear:

www.rileyupperspiritwear.com

Here is what is happening at Riley this week:

Monday, September 9, 2019

5th and 6th Grade
Curriculum Night-5:30-6:15 p.m.
Open House 6:15-7:00 p.m.

Students can play out on the playground while parents go to their child/ren's classroom to hear what they will be learning this year. We will have staff outside supervising the students. At 6:15 p.m. we will send the students to their homeroom classroom.

Please wait inside for your student/s.

Curriculum Night will take place in the following rooms:
