Keyboarding				**Movement**			
Typing Club	username is first and last names initials **ex.** ts PW is their same 4 digit pin they use for clevel and gmail.			Go Noodle			

Google Classroom
Last week I set up a Google Classroom - your student needs to access his/her email to "accept my invitation"- please know that I am new to using google classroom as an instructor-my experience has been mostly as a student... so this is a work in progress! Keep me posted if you can't get in. Remember, anything I send for your child to do is optional and has no point value. If you have ideas, please send them my way so I can share them with other parents.

To sign into google classroom go to gmail.com and log in with the information below.

Your child's email is:

 user name@student.livoniapublicschools.org
 password is the LPS password, which is the last four digits of the student id.

iReady Reading and Math Instruction for all	To login to i-Ready, please use the following steps: 1. Open your Internet browser and type in: clever.com/in/Livonia 2. You may sign in with your child's school gmail account by selecting log in with Google Username and 4 digit password are the same ones used to log into the computers at school 3. Once signed in, please select i-Ready at the top of the screen. Remember your child's email is: username@student.livoniapublicschools.org
