

LIVONIA PUBLIC SCHOOLS INTEGRATED PEST MANAGEMENT

Occasionally, Livonia Public Schools may apply pesticides to our schools, school grounds, and athletic areas. As parents and guardians, you have the right to be notified prior to such applications.

If you wish to be notified via first class mail or e-mail, please fill out the form below and return it to:

Livonia Public Schools,
ATTN: Warehouse
15125 Farmington Rd.
Livonia MI 48154

You may also e-mail it to Harry Lau at hlau@livoniapublicschools.org.

A posting of pesticide(s) used inside or outside of any LPS building will be placed in advance at the entrance of the building, and on the Livonia Public Schools website (www.livoniapublicschools.org). In an emergency situation, LPS may make an application without prior notification to parents or guardians; however, parents/guardians will be notified of the application after it occurs.

Further information regarding pesticides can be obtained by contacting The National Pesticide Information Center at 1 (800) 858-7378.
