Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information about the continuous improvement goals and educational progress of Emerson Middle School students based on 2019-2020 assessment results. The AER addresses the complex reporting information required by federal law and some requirements of state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Ann Owen, Principal of Emerson Middle School, for assistance. The AER is available for you to review electronically by visiting the following web site <http://emerson.livoniapublicschools.org> or you may review a copy in the main office of our school.

For the 2019-2020 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Target Support and Improvement (TSI) school is one that has at least one underperforming student group. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district's parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education and is required to be presented in MDE format.

Emerson Middle School's students are very successful as evidenced by our data in this report, but a few key challenges remain. Emerson Middle School is focusing on the needs of our special education students, students of color and those that are economically disadvantaged. Title I money is utilized to offer extended learning opportunities (after school and summer), lower the teacher to student ratio, increase remedial support and target literacy and math skills. Emerson staff and students participate in *The Leader in Me* program, focusing on developing student leadership through Steven Covey's *7 Habits of Highly Effective People*, to best prepare our students to meet the future challenges of the ever-changing world. These initiatives are intended to accelerate the student achievement of subgroups, including the state's identified Bottom 30%, that are not meeting our school's performance targets.

State law requires that we also report additional information as found on the following pages.

Our collaborative efforts positively impact our school's success and student achievement.

Sincerely,
Ann Owen, Principal
