Dear Parents and Community Members:

I am pleased to present you with the Annual Education Report (AER) which provides key information about the continuous improvement goals and educational progress of Rosedale Elementary School students based on 2018-2019 assessment results. The AER addresses the complex reporting information required by federal law and some requirements of state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me, Paula Kohler, Principal of Rosedale Elementary School, for assistance.

The AER is available for you to review electronically by visiting the following web site http://rosedale.livoniapublicschools.org or you may review a copy in the main office of our school.

For the 2018-2019 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA) based on their 2018-2019 State Testing Results. A Target Support and Improvement (TSI) school is one that has at least one underperforming student group. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district’s parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education and is required to be presented in MDE format. Based on this data, Rosedale has in place is a multi-tiered system of support, including the use of research-based interventions, such as Leveled Literacy Intervention and iReady Reading Instruction. In addition, ongoing professional development and dialogue focusing on strategies to support struggling learners takes place regularly. Ongoing analysis of formative assessment to determine the needs of all students, followed by the provision of targeted learning intervention to students in need. These initiatives are intended to accelerate the student achievement levels in meeting both the school’s and the state’s proficiency targets, thereby closing learning gaps including those of the bottom 30% of our performers.

State law requires that we also report additional information as found on the following pages. Our collaborative efforts positively impact our school’s success and student achievement.

Sincerely,
Paula Kohler
Principal
MISSION STATEMENT

We’re building a better world one student at a time.

SCHOOL IMPROVEMENT

School improvement is a process in which stakeholders in a school work cooperatively to improve student achievement. The process relies on staff, parents, and students participating in collaborative decision making in formulating and implementing achievement goals. The goals are determined through analysis of student achievement data and survey information. Action plans using proven interventions are developed for each improvement goal and progress toward achievement of the goals is documented annually.

Goals for 2018-2019:

● All students at Rosedale Elementary will become proficient in mathematics.
● All students at Rosedale Elementary will become proficient in reading.
● All students at Rosedale Elementary will become proficient writers.
● All students at Rosedale Elementary will become proficient in science.
● All students at Rosedale Elementary will experience a positive, safe and welcoming environment where both students and adults respect and value one another.

Goals for 2019-2020:

● All students at Rosedale Elementary will become proficient in mathematics.
  o Objective: 3% increase in overall placement of students in math on the iReady assessment.
  o Achievement: Spring 2018 iReady, overall 55% scored at/above grade level. Spring 2019 iReady, overall 52% scored at/above grade level in math.
  o Activities: Implement EDM and the Priority Standards, use various strategies to promote problem solving, use authentic formative assessments, analyze iReady diagnostic data, utilize iPads and Chromebooks, provide extended day opportunities, and develop a Math Performance Task.

The Livonia Public Schools School District has had its District Level accreditation through AdvancED. Through the district accreditation process, Rosedale Elementary School also received AdvancED accreditation. The AdvancED accreditation process supports and validates district and school level improvement efforts.

SPECIALIZED SCHOOLS OR PROGRAMS

At the elementary level, students may be enrolled in Alternative Classrooms for the Academically Talented (ACAT) at Webster Elementary School, Niji-Iro Japanese Immersion Elementary School and special education centers at Coolidge, Grant, Johnson, Kennedy, Randolph and Webster. A preschool is operated at the Jackson Center, a Great Start Readiness Program (GSRP) is located at Garfield Community School, and preschool special education programs are located at Roosevelt Elementary and Jackson Center. Other special education programs are available in western Wayne County for our students with disabilities, based upon their individual needs. Specific information about these programs is available on the district Web site at www.livoniapublicschools.org.

CORE CURRICULUM

The core curriculum at Rosedale Elementary provides learning experiences in reading, writing, speaking, listening, spelling, handwriting, mathematics, social studies, science, technology, health, physical education, art, vocal music, and enrichment activities. The core curriculum is based on the grade level content expectations (GLCEs) from the Michigan Department of Education and the Common Core State Standards for Mathematics and English Language Arts.

The goal of education is to provide all learners with a solid foundation of skills, knowledge, and understandings that are necessary for their continual growth and success as students within the school setting and as adults in society. As a result of sound K-12 education based on well-defined educational outcomes, a Livonia Public School graduate will:

- Respect self, others, and the environment.
- Communicate effectively.
- Know how to learn and work productively.
- Acquire and process information.
- Use critical and creative thinking to make decisions and solve problems.
- Work and participate independently and cooperatively.
- Acquire a core of understanding and competencies within the content areas.

A copy of the core curriculum may be obtained from the district’s Academic Services Department.
STUDENT ACHIEVEMENT ON DISTRICT DEVELOPED AND NATIONAL ASSESSMENTS

DISTRICT LITERACY ASSESSMENTS

Students in kindergarten are assessed on a one-on-one basis regularly during the school year to measure progress toward grade-level literacy skills. The following table, Early Literacy Benchmark Assessment - Kindergarten, shows the results of this testing by school and district.

Students in grades 1-4 are assessed using the Fountas and Pinnell Benchmark Assessment System. Teachers administer running records with comprehension to students one-on-one.

Kindergarten teachers administer reading records with comprehension at the end of the school year. Students in grades 1-2 are assessed three times each year. Students in grades 3-4 are assessed at the beginning of the year and additionally based on need. The following table shows the percent of students at each grade level that performed at or above grade level on this assessment.

One of the most important factors of a child’s success in school is the involvement of parents or guardians in the educational process. Rosedale Elementary has a high degree of parental involvement.

- 95% (271/285) of our families attended parent-teacher conferences during 2019-2020.
- 98.5% (272/276) of our families attended parent-teacher conferences during 2018-2019
- 96% (268/279) of our families attended parent-teacher conferences during 2017-2018
The district’s Parent Involvement Plan is available on the district’s website, which is linked to each school’s website.

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District’s educational programs. It is recognized and appreciated that parents/guardians are the “first teachers” of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child’s educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District’s Parental Involvement plan to all parents.
DATA FROM THE MICHIGAN DEPARTMENT OF EDUCATION

These reports contain the following information:

**Student Assessment Data**
Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This section of the report presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7 and 11, compared to state averages for all students as well as subgroups of students.

**Accountability – Detail Data and Status**
The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

**Teacher Qualification Data**
- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders. Reports teachers who are teaching with emergency or provisional credentials.
- Includes teachers who are not teaching in the subject or field for which they are certified.

**NAEP Data (National Assessment of Educational Progress)**
- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8.

**Civil Rights Data**
- Provides information on school quality, climate and safety.
