words per person. Then - you show the word...and the person seeing the word for the first time has to sing a song that has that same word in it. If no song comes to mind, make up a short song and sing it with that word. Now, it might seem that adults would have the better chances due to age and the volume of songs we have heard over the years. BUT...don't count out my students! Disney songs hold a vast amount of words (especially the movie Tangled...)

Watch Claire Crosby and her Dad try this. Keep in mind, Claire is in 1st grade!

April Character Trait: Mindfulness

To be mindful means to be present in the moment. Practice being mindful, and focus while you read.

Enjoy listening to relaxing music that puts you into a **mindful** mood, while you work...
