

Mrs. Berrelez's Class

Online Learning Plan, May 11 - May 15

- All assignments with links will be posted in our Google Classroom on the Friday before each week.
- **ELA assignments** should be completed before the Google Meet for the ELA lesson. We will share your ideas and work in our Google Meetings.
- Math work can be completed anytime during the week. Math support will take place at the end of ELA Google Meets on Monday/Wednesday.
- Extra enrichment websites: Epic and Prodigy. See Mrs. Hillary's LMC Symbaloo for lots of other fun activities. Read books anytime during the week.
- iReady lessons for math and reading can be done each day.
- Please email me or send a Dojo message with any questions. The kids can share their work to my email, in Google docs, slides, or pictures, and in the Google Classroom lessons.

Music:

Since I can't be in the classroom with my students, I am bringing the classroom to you! Have fun clicking on the different areas of this virtual music room and find many activities and learning with music. Have fun!

Library:

Use the same region from [TrueFlix](#) as last two weeks. Read the chapter about the economy. Write a paragraph drawing an inference about the economy of the region you've been writing about. Why do you think these are the primary economies of these states? Make an inference about why these economies work well for this region. For example, the people of the country of Norway have a large fishing industry. I'm inferring that this is because they are surrounded by water. Share your opinion with Mrs. Hillary (on paper, as a Google Doc, Google Slide, etc.)
