

# Mr. Waling's Supply List

The following are items that would be useful for you to send in for our classroom use. Please remember these items are not required, but greatly appreciated as a donation. There are two groups of items listed below. One includes items that you can send in once at the beginning of the year and the other includes items that we go through quickly and need to be replenished each month.

We like to keep clothing for your child here at school in case of an emergency. Please be sure to send a complete change of clothes including underwear, socks, and season appropriate pants & shirts, each piece labeled with their name. Thank you for your help!
