VI. Send Off & General Comments (Chris Chmura)

- A. We will create a video and memory book for each student who is moving on.
 - 1. This includes all 6th graders and the 5th graders in Mr. Waling's class.
 - 2. We will continue to collect photos through May 30.
 - 3. We are still figuring out a way for the outgoing students to wave at the end. Some possibilities include asking parents to send pictures of students waving, asking teachers to take screenshots of students waving in their virtual meetings, and using footage from the Walk-a-thon aerial art project.
- B. The PTA will purchase personalized lawn signs for outgoing students. Families will have to opt in.
- C. Chris Chmura opened the floor for other ideas/questions.
 - 1. Cecilia Morelli suggested sending a questionnaire to outgoing students (with questions such as, "What was your favorite memory of Webster,?" "What are you most looking forward to in middle school?," etc.) and featuring two to three students' responses per day on social media. Randolph is doing this for their outgoing students.
 - 2. Mrs. Frame said there used to be questions and answers from each student featured in the memory book. She will look for an old memory book and send the questions to the PTA.
 - 3. Mrs. Vine asked if there was a timeline for distribution of these materials. Monique Cadoret responded that it is dependent on the state of the virus and state guidelines. We may mail them to students, or we may be able to arrange a time for outgoing students to get together for distribution.
 - 4. Mrs. Macek asked whether Family 3 teachers could be included in delivering the lawn signs to the students in their classes. Chris Chmura responded that they are welcome and that can be arranged.

VII. Comments/Questions

- A. Mrs. Boka noted that we usually get first day folders for free through a company in exchange for buying ads, but that will likely not happen this year, so we will likely not have first day folders to stuff.
 - 1. Karlee Kerr asked if more of the first-day content could be distributed digitally. Mrs. Boka said this is being looked at, and, also, everything traditionally included in first day folders does not necessarily need to go home on the first day.

VIII. Adjournment - 7:40pm
