LIVONIA VIRTUAL TERMS

Asynchronous: Asynchronous learning entails self-guided lessons and/or practice to be completed by the student, with adult assistance when applicable. Students should plan to do asynchronous learning for approximately three hours* per day, which can occur during the time between live teaching sessions and/or outside of the regular school day. Teachers will set up times to support students with their asynchronous learning. **Completion of assignments and lessons will be mandatory.**

Synchronous: Synchronous learning is live online instruction, taking place via Google Meet or other remote learning platforms. Students will have three 60-minute synchronous learning live online instruction periods per day. Just as with in person instruction, attendance is mandatory and will be taken by the teacher.

*= May differ by grade based on developmentally appropriate expectations
