LIVONIA VIRTUAL TERMS

Block Schedule: For the Livonia Virtual daily time schedule, students will have a block of both synchronous and asynchronous instruction for three periods each day. The middle school day will begin at 8:00 a.m. and conclude at 2:00 p.m. There will be self-guided lessons in addition to the live teaching scheduled above.

Asynchronous: Asynchronous learning entails self-guided lessons and/or practice to be completed by the student, with adult assistance when applicable. Students should plan to do asynchronous learning for approximately three hours per day, which can occur within the times outlined above and/or outside of the regular school day. Teachers will set up times to support students with their asynchronous learning. **Completion of assignments and lessons will be mandatory.**

Synchronous: Synchronous learning is live online instruction, taking place via Google Meet or other remote learning platforms. Students will have three 60-minute synchronous learning live online instruction periods per day. Just as with in person instruction, attendance is mandatory and will be taken by the teacher.
