

# COVID-19 SCREENING TOOL FOR FAMILIES

Parents and guardians, use this checklist **every day** before sending your children to school. If you answer “YES” to one or more questions, you **MUST** keep your child home from school today.

Does your child have any **unusual** symptoms from the list below?

- | YES                      | NO                       |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | A fever? (Temperature greater than 100.4°F) |
| <input type="checkbox"/> | <input type="checkbox"/> | A new or worsening cough?                   |
| <input type="checkbox"/> | <input type="checkbox"/> | Shortness of breath/difficulty breathing?   |
| <input type="checkbox"/> | <input type="checkbox"/> | Runny nose and/or congestion?               |
| <input type="checkbox"/> | <input type="checkbox"/> | Body aches, chills and/or tiredness?        |
| <input type="checkbox"/> | <input type="checkbox"/> | Vomiting and/or diarrhea?                   |
| <input type="checkbox"/> | <input type="checkbox"/> | New loss of smell or taste?                 |

If your child is awaiting the results of a COVID test, they may not come to school.

If the answer to any of the questions is “yes,” keep your child home and consult your primary care physician. If a doctor determines that the symptoms are due to another diagnosis, or COVID-19 is ruled out, your child may return to school after being fever-free for 24 hours **without** the use of fever-reducing medications.

- | YES                      | NO                       |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | Have you or your child had close contact with anyone who had a positive COVID-19 diagnostic test in the past 14 days? |

If the answer to any of the questions is “yes,” you and your child **must** stay home to quarantine for 14 days since last contact.

## Report any confirmed or suspected cases:

**Wayne County Public Health Department**  
Main Communicable Disease Line: 734-727-7078
