

January 15, 2020

LPS Parents & Guardians,

We wanted to take this opportunity to share with you a school district calendar change that will occur as a result of the 2020 Presidential Primary Election, which will take place on Tuesday, March 10, 2020.

As you know, the majority of our schools serve as polling locations. In past years, the district has experienced challenges while managing voter traffic in the school when we remain in session on an election day. Being in session on an election day can be disruptive to the school environment and inhibits our normal safety protocols. Recent legislative changes provide public school districts the option to use such days for staff professional development.

Therefore, school will not be in session on Tuesday, March 10 and our staff will be engaged in professional development on this day. We thank you for your understanding, as we make this change with the safety and well being of our students at the forefront. Feel free to contact me or the district's Communications Office with any questions: email communications@livoniapublicschools.org or call 734-744-2522.

Sincere regards,

Andrea Oquist, Superintendent
