Look for more information from teachers for signing up for your specific time. Report cards will be available on parent connect the morning of December 9th for viewing prior to the conference.

IRIPs were sent home. Reading interventions have begun for students who were identified as needing extra help-students are being pulled from the same classroom for additional small group reading instruction.

Treasury Report: We need the FUND run to be successful. Our funds are low after paying the classroom teacher grants as well as a portion of the Scholastic News that students in each grade level use. We currently have \$5476 in our account.

President's Report/New Business

Fund Run fundraiser kicked off Friday, November 6th online and flyers went home this week. Currently we have raised \$1945 towards our goal of \$20,000.

The top earner in each class will receive a Coolidge mask and the top earner in the school will receive a shirt.

All students who create a profile and share their page will receive a prize.

Students will participate next week with their class. Teachers signed up for a specific time slot.

Mrs. Guerriero will set up stations outside along the track. Virtual students may come next Wednesday (11/18) or Friday (11/20) from 4-5pm or may choose to do a one mile run on their own time.

Popsicles will be provided by the PTA for all students who participate.
