In Attendance→ Todd Davis, Stephanie Christie, Nicole Dant, Katie Bates, Kristyn Cousino and Sherrie Mezzoni

Principal's Report (Kristyn)

*Working on the I-Ready test. Cogat is done.

*January 6th grade goes on DIA Field Trips. Feb 7th It's a small world, cultural event.

*Reading Month, we would like guest readers and an author to come in would be great. We will create a sign-up genius for the Reading Cafe so that each class can have a rotation for the area once a week during the month. Todd talked about knowing some people to paint the windows to go with the theme for the month.

No Teachers in Attendance

Nicole handed out the Budget Report, no one had any questions.

Committee Reports:

Mixed Bag: Lori stepped down as VP in a Special meeting held at the end of November. She will no longer be the Mixed Bags chairperson. Katie Bates is taking over. Items had been shipped on Saturday and we have the tracking info, expecting everything soon.

Roller Skating: We earned \$58.50 at the last event. There was talk about if it is worth it to still hold it? Maybe try at a different type of place. Like Athletika or Airtime.

Reflections: There were 6 entries this year from Riley.

Dine-Out: There were 15 tables of families @ BWs, but also some take out orders. We talked about adding Toney Baloney's. There are 21 rooms booked at Kalahari for \$210 earned so far from that. We only had \$100 Budgeted all year as income from the "Dine-Out" events, so we are already ahead. As a group we threw around ideas on how to get more places involved in our efforts. Currently we get a portion of anyone who dines at Grand Tavern and mentions the Riley code. We wondered if other restaurants in the area were able to set up a similar thing. Dave & Busters, Las Palapas, Los Tres Amigos. Todd also mentioned that Premier Pets was willing to give us a portion of sales, so we are working to set that up.

Upcoming Events:

Founders Day: Nominees were discussed. We will be getting 2 tables.

Maker Space: They held a meeting and it is coming together nicely. We found out that we can put together an Amazon Wish List or do DonorsChoose. The committee spoke of possible grant sources.

Teacher Appreciation Week: It is May 6-10. Kristyn would like to see a Water Bar and Candy Bar set up throughout the week. We talked about doing a breakfast, a lunch and a gift. There are about 45-50 staff that we would putting it together for. Maybe a massage. Going to put together a questionnaire for the staff so we can get an idea of their "favorite things" to surprise them with .
