

# LIVONIA PUBLIC SCHOOLS Parent Notification for Participation in the HIV/AIDS and Sexuality Unit– Secondary Level

## *Holmes Middle School*

The Livonia Public Schools Board of Education has established a program of instruction which includes HIV/AIDS, serious communicable disease prevention education, and sexuality education. This instruction is included in the 7<sup>th</sup> grade Health Class.

According to Michigan law, you have the right to review the materials and curriculum content to be used in this unit. These materials are presented to parents at a meeting at the beginning of the school year, prior to the start of instruction so you could determine whether you will give approval for your child’s participation. Parents may exclude their children from this unit of study without penalty.

Parents have the option to **opt in** or **opt out** of the sexuality education unit of study. **Parents must complete the information below and return to their health teacher prior to the unit on Sexuality Education, which is the last unit of instruction taught in the 10 week health class.**

### Sexuality Education Unit - Secondary Level School Year \_\_\_\_\_

I am **OPTING IN** \_\_\_\_\_ to participate in the sexuality education unit, and allow them to stay in their current health class.

I am **OPTING OUT** \_\_\_\_\_ from the sexuality education unit and would like them to be removed from this unit in the health class and given an alternative health activity in the LMC.
